The session will cover both the fundamental and advanced mechanics of umpiring, training, positioning, including technics and philosophies from all levels of umpiring.

Our staff features Professional MiLB instructors, from the premier umpiring school in the world.....Wendlestedt!

Additionally, Charles Linch, State Clinician and the Ron Whiting, will be presenting at the event.

Extensive video analysis and critiquing will be featured from the 2016 WV State High School Tournament.

The SSAC is dedicated in providing the highest level of training and education available for officials to succeed. Not only have they played a vital part in the design and implementation of the curriculum, they strongly support the direction that high school umpiring needs to go. Your attendance is highly encouraged by the SSAC.

Please contact Charles Linch at 304-482-9626 or Ron Whiting at 304-777-0771 to RSVP!
