2018 Baseball Program

ALL TOURNAMENT DIRECTORS ARE REMINDED TO READ THE DIRECTOR'S MANUAL BEFORE ANY PREPARATIONS ARE MADE FOR A TOURNAMENT. The necessary forms or reports that must be filed with the WVSSAC office and the instructions for each sport are in the Director's Manual.

The following items were discussed and recommended by the Coaches' Baseball Committee for approval by the Board of Directors:

2018 Baseball Dates		
Season Begins	Week 35	February 26
First Contest	Week 37	March 14
Sectional	Weeks 45 - 46	May 7 - 19
Regional	Week 47	May 21 - 26
State	Week 48	May 31 - June 2
Middle School Dates		
Season Starts	Week 35	February 26
First Contest	Week 37	March 14
Season Ends	Week 45	May 12

I. GENERAL INFORMATION

- A. The Speed-up Rule will be used as it relates to runners. This privilege will be optional to each coach.
 1. A courtesy runner may be used for the pitcher and/or catcher. The same runner may not be used for both positions. Neither the pitcher nor the catcher will be required to leave the game under such circumstances.
 2. Players who have participated in the game in any other capacity are ineligible to serve as courtesy runners. A player may not run as a courtesy runner for the pitcher or the catcher and then be used as a runner or batter for another player in that half inning.
- B. Team uniforms should conform to Rule 1-4-1-2-3-4, National Federation Baseball Rules Book. Teams purchasing new uniforms should be aware of the rule that relates to numbering and size of numbers.
- C. All varsity, junior varsity and middle school contests must use WVSSAC registered officials.
- D. Any high school player or coach who is ejected from a contest must sit out the next three scheduled contests at that level and all other contests in the interim. Middle school/9th grade ejections result in a two game suspension.
- E. Remember that it is mandatory for players to use the NOCSAE approved batting helmet and NOCSAE approved catcher's headgear. Refer to Rule 1-5-1-2-3-4-5 of the National Federation Baseball Rules Book.
- F. **The Spalding TF-Pro is the official baseball adopted by the WVSSAC.** It will be used in all Sectional, Regional and State Tournament play. All baseballs used during games must have the National Federation Authenticating Mark.
- G. High school varsity coaches are reminded to rate game officials and send the report to the WVSSAC office at mid-season and at the end of the season.
- H. Use of Tobacco: The use of tobacco or tobacco-like products is prohibited by officials, coaches, players, and team attendants during a contest. A player or coach detected using tobacco will be ejected and will not be allowed to re-enter. They will also sit out the next three regularly scheduled games.
- I. **Points of Emphasis:**
 1. **All coaches are required to complete an Emergency Action Plan (Senate Bill 40). See AD for more information.**
 2. Sportsmanship of Coaches, Players and Fans-Always remember the importance of sportsmanship to the game.

3. Coach's Uniform-Coaches **must** be in the same uniform as the players, however, coaches will be allowed to wear pullover or jacket in school colors. Coaches occupying coaching boxes must be in the same color jacket (if wearing a jacket).
4. Only coaches, players or eligible substitutes in proper uniform may occupy the coaching box.
5. Officials should submit a Special Report when a safety situation is discovered at a playing field.
6. The same baseball, type and brand name, must be used for the entire game.

J. Pregame Warm-up Procedures

The following are recommended warm-up procedures for the regular season, sectional, and regional games.

1. When the visiting team arrives at the game field, the home team will immediately begin its infield practice (not to exceed 15 minutes).
2. When the home team has completed its pregame infield practice, the visiting team will begin its infield practice (not to exceed 15 minutes).
3. Following the completion of pregame infield practice by both teams, the game umpires will meet at home plate with representatives from both teams (head coaches and/or captains) to discuss ground rules and present each team's starting line-up and batting order no later than 5 minutes before game time.

This specific procedure will hopefully encourage schools to be ready to "play ball" when game time arrives and to stipulate a procedure of pregame warm-up when it is obvious the game will not begin on schedule because of a late arriving visiting team or potential gamesmanship by coaches.
4. The pitcher is not allowed to throw warm-up pitches to the plate during infield practice.

K. Bats

Bats that are altered from the manufacturer's original design and production, or that do not meet the rule specifications, are illegal. No artificial or intentional means shall be used to control the temperature of the bat. No foreign substance may be inserted into the bat. Bats that are broken, cracked or dented or that deface the ball, i.e., tear the ball, shall be removed without penalty. A bat that continually discolors the ball may be removed from the game with no penalty at the discretion of the umpire.

II. RULES AND REGULATIONS:

WVSSAC Pitch Count Required Days of Rest (Pitches)

Age	Maximum	0 days	1-Day	2-Days	3-Days	4-Days
HS	110	1-30	31-50	51-75	76-110	-----
MS	95	1-25	26-40	41-55	56-70	71+

1. The pitch count is based on the number of pitches thrown to batters during the batter's time at bat. Warm up pitches allowed before the game, in between innings or allowed by the umpire in case of injury or game delay do not count. Additionally, intentional walks and balks do not count towards the total number of pitches thrown.
2. When the pitcher reaches 110 pitches, he may not pitch to another batter. He may only finish pitching to the current batter (at bat).
3. No player can pitch four (4) consecutive days.
4. The pitching rule applies even though a game is called (ended) by the umpire because of darkness, rain or some other factor before it has become an official game.

5. Game officials are not responsible for enforcing the pitch count rule. Schools should report violations to the WVSSAC office following competition.
6. Violations will be considered in the same manner as a school using an ineligible player. The minimum penalty for such violations is forfeiture of the game. Additional penalties could also apply such as, but not limited to, head coach suspension, program probation determined by the WVSSAC office.
7. Recording/Charting pitches:

During the game, each team will provide an individual (preferably a coach) to log pitches from the dugout. The home team will also provide a pitch count recorder in the press box or assigned area to record pitch counts.

Any discrepancy in the pitch count of either pitcher will be resolved at the conclusion of each half inning. If the pitch counts do not match, we will go with the predominant count. If all three counts do not match, the count used by the pitch count recorder will be considered the official count.

B. Ending a Game:

1. The ten (10) run rule will be in effect for all season games including all tournament games.
2. All tournament games will be seven (7) innings except when the ten (10) run rule is in effect. Tournament games stopped because of rain, lightning, etc., will be resumed at the point of interruption and continue for the regulation seven (7) innings. The suspended game rule may be used during regular season by mutual agreement of both coaches unless required by league rules to continue suspended games.
3. **By mutual agreement of both participating coaches prior to the start of the junior-varsity game, a J.V. game may be less than seven (7) innings.**
4. **In games involving middle school baseball teams, a single contest will be seven (7) innings. If playing a doubleheader, one game will be seven (7) innings and one will be five (5) innings. In a seven (7) inning game, the ten (10) run rule will be in effect following the fifth (5th) inning. In a five (5) inning game, a twelve (12) run rule will be in effect following the third (3rd) inning. No suspended games will be allowed should a game be terminated because of darkness or weather.**

A. SECTIONAL TOURNAMENT (May 7 - 19, 2018)

- f. Principal and Head Coach must sign the ballot before returning to the WVSSAC.

I. GENERAL INFORMATION

- A. The The NFHS Dudley Thunder Heat Softball yellow optic red stitch raised ball is the official state ball. This ball is required for all levels (sectional, regional, and state) of the tournament structure. The ball must display the COR .47, NF authenticating mark, and the compression of 375 lbs.
- B. All sectional, regional games must be played on softball fields with dirt infields. Every attempt should also be made for regular season games.
- C. Use of Tobacco: The use of tobacco or tobacco-like products is prohibited by officials, coaches, players, and team attendants during a contest. A player or coach detected using tobacco will be ejected from the contest.
- D. It is strongly recommended that the coach be attired in the same uniform as the team. If the coach is not attired in the team uniform, he/she must be attired in clothing of the school colors, white, black, gray or khaki. Coaches are allowed to wear jerseys/coaching shirts, coaching shorts/slacks or warm-up suits provided the clothing is of the school colors or white, black, gray or khaki. It is further required that the jersey/coaching shirt reflect the school name and/or logo. Cut-offs, fleece, or any type of jeans of any color are prohibited. Coaches for each team are not required to be in identical dress; however, each coach must comply with the regulations (colors, logo, etc.,).
- E. For regular season games to avoid unnecessary delay of the scheduled start time, it is recommended that the home team warmup first.
- F. The WVSSAC Board of Directors has approved that all temporary body markings and face paint must be removed. Permanent body markings must be covered if the game official determines the marking is objectionable. Note: This is an official's determination and is not protestable. This includes Eye Black - It must be worn as intended only directly under the eye.
- G. All sectional and regional receipts or expenses shall be shared by participating schools.

II. RULES AND REGULATIONS

- A. Fast pitch rules will be used for all middle and high school programs.
- B. The Maximum Team and Player Contests for high school is 32 games exclusive of sectional, regional, and state contests.
- C. Middle school teams and players may play 18 games including tournaments sanctioned by the WVSSAC. Middle School/9th Grade varsity teams must play 7 inning games. Note that the 10 and 8 run rules also remain in effect.
- D. **At all school levels (middle school or high school), subvarsity games may be limited to 1 hour 30 minutes (provided the**

inning has been completed) or 7 innings or conclusion of the game - See Game Rules (Tie Breaker). The choice of these two game ending procedures must be determined by the coaches prior to the start of the game. This decision is to be communicated to the officials at the **pre-game conference**. If coaches cannot reach agreement, the game will be seven innings. Note that the 10 and 8 run rules would also remain in effect.

- E. Players' Uniforms: The following are points of emphasis in addition to the regulations specified in the National Federation Softball Rules Book:
 1. All helmets shall have a permanently affixed Manufacturer Certified NOCSAE Stamp (Rule 1-6-1). Also, all helmets shall be equipped with NOCSAE approved face protector (Rule 1-6-6).
 2. Players' uniforms are to be worn as manufactured. Example - shirts must be tucked in and sleeves not rolled up.
 3. **Players' shirts - All shirts must be tucked in. If the shirt comes out during play, players are to correct at the next opportune time. Failure to do so will result in a team warning. On the next occurrence, the player will be restricted to the dugout.**
- F. Game Rules: The National Federation Softball Rules will govern all play. In addition, the following rules are emphasized:
 1. Rule 4-2-2 - Game ending procedure - after 4 1/2 or 5 innings if one team is ahead by eight (8) runs. This will be in effect for all regular season games and all tournament play.
 2. A 10 run rule after 3 innings and before 4 1/2 innings will be in effect for regular season play only.
 3. International Tie Breaker - The Tie Breaker may only be used in **regular season** and at the beginning of the 8th inning; **however, there must be mutual consent of both coaches before the game begins**. If there is not mutual consent, the Tie Breaker may not be used.

National Federation Rule 4-2-6: While using the tie-breaker, each half-inning begins by placing a runner on second base. That runner is the player in the batting order who precedes the lead off batter in that inning. Then the game proceeds a full inning or until a winner is determined in that inning.
 4. All post season games will be played under suspended game rules. A suspended game is a game to be completed at a later date. Tournament games stopped because of rain, lightning, etc., will be resumed at the point of interruption and continue for the regulation seven (7) innings; the eight (8) run rule will be in effect for sectional, regional, and state tournament play.
 5. During Regular Season, Suspended Games rule may be used if coaches mutually agree prior to the start of the game.
 6. Game Ending Procedures for Invitational Tournaments: The option to use hour and a half or 5 inning game ending procedure will be determined by the Tournament Director and participating schools should be notified.
 7. Pitching Rule: No pitcher shall pitch more than fourteen (14) innings in any one (1) day period. One (1) pitch is considered an inning pitched. There is no "lay over" regulation for softball pitchers. If the rule is violated, the head coach will be suspended for the next three (3) games and the pitcher will not be allowed to pitch in the next three (3) games. However, she may play another position during those three games.
 8. A courtesy runner for the pitcher or catcher may be used.

III. POINTS OF EMPHASIS

- A. All coaches are required to complete an Emergency Action Plan (Senate Bill 40). See AD for more information.
- B. Schools must use WVSSAC registered officials for all softball contests.
- C. At the pre-game conference, officials are to give each head coach an officials' introductory card indicating the officials' names and registration numbers. It is important that officials also sign the scorebook. At that time, game ending procedures should be agreed upon.
- D. Coaches are reminded that good sportsmanship must be emphasized and practiced at all times by coaches, players, and spectators. If a coach or player is ejected from a contest, coaches should refer to WVSSAC Rule 127-4-3 Code for Interscholastic Athletics. In clarification, when a coach is ejected, he/she is required to leave the vicinity and is not allowed to coach at the next three played contests at that level. At the next three played contests, the coach is not allowed to have any contact with the team. This includes warming up the team or representing the team by wearing the team uniform to the game. He/she must be out of sight and sound.
- E. Coaches are to review the Non-School Participation Rule with all players.
- F. **Double First Base** may be used for regular season games only and the home school should notify visitors when it is being used.
- G. NFHS Pitching Distance for Middle School and High School is 43 feet.

Sectional tournament teams shall be seeded; therefore, it is recommended that teams play all other teams in their section. Sectional tournament play may be single or double elimination. However, the Softball Coaches' Committee has made the following changes to the tournament structure.
 - a. It is recommended that the sectional tournament be double elimination.

Schools: The Head Coach shall be required to attend any sport rules clinic in his/her coaching assignment which is sponsored by this Commission. **Schools failing to have a head coaching position filled at the time of the clinic are required to have a school representative present at the rules clinic.** In a 9-12 school, both the varsity and 9th grade coach are required to attend.

Officials: All officials must attend the clinic to be eligible to work any contests during the season.

The clinic attendance requirement will not be granted if the coach or representative is late in excess of 10 minutes.

2018 SOFTBALL RULE REVISIONS

2-65-2, 8-1-1c, 8-4-3a, 9-6-2: The coach, pitcher or catcher of the defensive team may request an intentional walk either before or during the pitch count. Rationale: This change to allow intentional walks was enacted to align fast pitch and slow pitch rules, to keep up with current trends of the sport, and also to maximize the flow of the game.

3-2-7c: Language was added to address the use and placement of the wristband playbook/play card and defines this item as a piece of equipment. It also addresses restrictions on color. Rationale: The wristband playbook/playcards are worn on the forearm and considered equipment, not a garment. Therefore, these items are not required to adhere to the color restrictions addressed in 3-2-7c.

3-2-15, 10-2-3a: This change removes the responsibility of the umpires to inspect equipment prior to the start of the game. Rule 4-1-2d already requires head coaches to verify that their players are legally and properly equipped. Rationale: The responsibility to verify that players are legally equipped rests with the coach and administration of the school. Rules 7-4-2 and 10-2-3l provide the authority to umpires to penalize for equipment violations.

3-7-1 NOTE, 6-2-5 NOTE 2: Added language provides umpires with the authority to allow a reasonable number of warm-up pitches to an incoming pitcher due to circumstances that require a pitcher to be removed by rule. Rationale: Currently there are no guidelines for warming up the incoming pitcher under these circumstances. The default number of pitches used by the umpires is 5 unless there is inclement weather. The note will give guidance to all parties involved.

6-1-2b: The pitcher may now step back with the non-pivot foot at any time prior to the start of the pitch. Rationale: This is a change to assist the developing pitcher.

Major Editorial Changes

3-6-12, 10-1-6: Language provides clarity and consistency for restriction of alcohol and tobacco use by participants and officials.

8-1-2: This change requires the batter to make an attempt to avoid being hit by a pitched ball in the area between the plate and the batter's box. This portion of the rule had been inadvertently omitted.

Points of Emphasis

- 1) Coaches responsibility to verify players are legally equipped
- 2) When batter must attempt to avoid being hit by a pitch
- 3) Courtesy runner for the pitcher and/or catcher

The Board of Directors and the Tennis Coaches' Committee reviewed the tennis program in the February *Interscholastic* and approved the following:

2018 High School Tennis Dates:

Season Starts	Mon. of Wk. 35	Feb. 26
1st Contest Held	Wed. of Wk. 37	Mar. 14
Regional	Week 44	April 30 - May 5
State	Week 45	May 10 - 12
Forms Due		
Information Verification Form (T3)		Mar. 5
Regional Seeding Form (T4)		Mar. 30
Regional Directors Form (T5)		Apr. 4
Regional Entry Form (21 & 22)		Apr. 27

I. GENERAL INFORMATION

- No coaches are required to attend a WVSSAC State Rules Clinic this year. Return Information Verification Form (T3) by **March 5th**. Coach must complete the Regional Seeding Form (T4) and send it to the Regional Director by **March 30**.
- Coaches shall present themselves in **professional attire** suitable for a school representative. Coaches shall be attired in white, gray, black, khaki, or school colors.
- Middle School/9th Grade teams should be allowed to participate in interscholastic contests even if a player must play both a singles match and a doubles match. This allows for a team with as few as six team members to participate in a match with 4 singles matches and 3 doubles matches. Although it is recommended to use as many participants as possible, schools with a low number of participants should not be penalized for using a team member in both singles and doubles.
- Electronic Devices - Coaches, players, and officials are not allowed to have cell phones or pagers while they are on-court.
- All coaches are required to complete an Emergency Action Plan (Senate Bill 40). See AD for more information.**

II. RULES AND REGULATIONS

A. REGULATIONS

- Tennis rules published by the United States Tennis Association are the official rules for all interscholastic competition unless otherwise modified by the WVSSAC.
- Middle School/9th Grade Dates - Middle School/9th Grades are allowed to play either a fall or spring season. However, the season selected shall be no longer than 12 weeks.
- In order to enter regional play, the position must have been played in at least six matches.** When playing teams inside your region and a player doesn't actively participate or is injured, the team must choose to default the position. An exhibition match may be played if mutually agreed upon by both coaches. The exhibition match will not count towards regional seeding. However, it does count for scoring the regular season match and towards the athletes overall record. When playing outside your region and a player does not actively participate or is injured, the team may choose to substitute or move players up.
- A team match shall consist of 4 points out of 7 (3 doubles, 4 singles). Schools competing with less than 3 members will count the individual matches but the contest will not count as a team match.
- When two teams are sponsored by a school (boys and girls), the girls must compete against girls, boys against boys. If a school sponsors one co-educational team, that team must compete as a boys' team. This applies to regular season. However, during tournament play, which is individual play, there are no co-educational teams or mixed doubles. Girls compete against girls and

boys compete against boys. Clarification - If only one girl is on the team, she must play the #1 position (exception to #6) at regional competition.

- Players may play both singles and doubles, but it is not mandatory that they do so.
No form of stacking is acceptable.
- In a match, a school must play players in order of ability. This rule applies regardless of the number of players. Example: If a school has 3 players, they shall be put in rank order. The best player would play #1, second best #2, and third best #3.
- In doubles, players shall be placed on doubles teams according to ladder position, i.e., the best two doubles players at #1 doubles, the next two doubles players at #2 doubles, and so on for #3 doubles.
- Players' placement in the doubles need not correspond to their singles placement. For example, the #1 and #2 Singles players need not be the #1 Doubles team.
- Regular season matches will be pro-sets (8 games-with a 12 point tie breaker at 8 games all).

Six Game Pro Sets - There is no provision for a six game pro set. If a six game pro set match is played, the match will not count in the season record and will be a forfeit.

Tie Breaker - No coaching is allowed during the tie breaker.

- No-Ad Scoring - Regular Season - Both coaches must mutually agree. If mutual agreement cannot be established, regular scoring will be used. State Tournament - Scoring decisions will be made by the WVSSAC.**
 - The USTA has approved a variation of the conventional scoring system for the purpose of shortening the duration of a tennis match. It is called "no-ad scoring" and is precisely what the name implies.
 - Singles and Doubles: A game is won by the first player or team to win 4 points; that is if the score goes to 3-points-all (or deuce), the next point decides the game. There is no "advantage" point. Receiver decides to which court the service is delivered on the 7th point.
- If inclement weather causes a match to be cancelled during regular season play, the match will count as completed if four matches have been completed.
- When rescheduling regular season matches, matches with regional opponents should take precedence over non-regional matches.
- The tennis format of 4-3 will be used in all matches in West Virginia. If West Virginia schools play out-of-state opponents, they may play the same format as the home school. In any match, extra players may play as exhibition; however, points are not added to the team score.
- Honest Effort Rule: A player cannot default a match to save energy for another match or default to gain an advantage by not playing. If a student does not adhere to this rule, he/she will be disqualified from the tournament.**
- A penalty point deduction on the teams total will be assessed for unsportsmanlike behavior after a player has defaulted or play is complete for all regular season matches, Regional and State.**
- Coaches shall use Special Report Forms for unsportsmanlike acts or actions which could not or were not resolved by the use of the Coach's Request for Ruling Form. The Special Report Forms are to be submitted to the WVSSAC.
If misconduct occurs, the coach should first consult the coach of the player in question. If that coach fails to issue appropriate sanctions, the other coach may issue appropriate sanctions. A Special Report should then be completed and mailed to the WVSSAC office.
- Saturday Matches - 2 out of 3 format may be used if both coaches agree. **This is Saturday matches ONLY.**

B. UNIFORMS

Participants are required to be in school uniform for all regular season and tournament play. Uniforms must be in school colors. The school approved identification must be on the front of the uniform. Sleeves are not considered to be the front of the uniform. Doubles competition team mates must be attired in the same uniform. It is the responsibility of the match/tournament director and match officials to enforce these regulations. **All players mid-drifts and torsos must be covered.**

C. CONDUCT

1. All teams and players are reminded that only coaches may approach the Tournament Director. Inappropriate contact by players or parents is unacceptable, and warnings and penalties will result.

D. FORFEITS AND DEFAULTS

1. If, after an individual match begins, a forfeit occurs due to illness, injury, or penalty for misconduct, the games and set won by the forfeiting team shall stand and count.
2. In all other matches, if a default occurs before the individual match begins, then the Tournament Director shall record the score as 6-0 or 8-0.

E. ALTERNATES (Tournament Play)

1. Regional and State Competitions are individual competitions. Prior to the beginning of any doubles play at the Regional Tournament, alternates (doubles) who were listed on the Entry Form may be used only in case of illness or injury and only in the position of the unavailable player. **The alternates must be used in the order in which they were placed on the Entry Form.** The regional director reserves the right to request medical verification (physician, nurse practitioner, athletic trainer).
2. If an alternate plays in the first round of doubles play in regionals and the team advances in regionals or to state, the "original" partner may not return to the team. The alternate becomes the partner for the tournament(s).
3. If a qualifier to the State Tournament is unable to participate, no substitution may be made. This regulation applies to singles and doubles and will result in a forfeit.

III. REGIONAL TOURNAMENT

For all tournament play, players and coaches must be at courts 30 minutes prior to match. Failure to arrive on time will result in default.

A. Regional Tournament (Week 44).

May begin on Monday and continue through completion Saturday, (Rain Dates May 8-9) First Round matches may be played at home site.

In order to avoid date, time, etc., conflicts, coaches should notify players on the first day of the season of the Regional Tournament dates. Regional directors will determine the date(s) which are best considering time and facilities and notify schools as soon as possible.

- B. **If you only have one coach and your regional/state is at 2 sites, you must provide an additional authorized coach to travel to the other site as needed. This will allow the other teams/players to progress through the tournament.**

C. Regional Coaches' Meeting Information

1. The Regional Director is responsible for calling a meeting of all coaches and school administrators. **If a coach fails to attend the Regional Seed Meeting, all of that school's players will be placed in the blind draw.**
2. It is recommended that tournament directors make "weather" provisions to secure indoor accommodations with the cost assessed to the individual schools **from gate receipts.**
3. Regional directors are asked, whenever possible, to schedule regional play after school, on Saturday, or on out-of-school days.

4. Seeding will be the top four at each of the singles and doubles positions. **The number of additional positions seeded may be decided by majority vote of participating schools. All positions must be seeded in same manner.** The remaining placements will be by blind draw. Draw sheets with appropriate "bye" positions will be distributed to each tournament director. **The "blind draw" players are to be placed on the remaining lines from top to bottom. Coaches may not choose brackets. The draw goes straight down the draw sheet.**

5. **Teams/Individuals must actively participate against at least 50% of the teams within their assigned region to be eligible to participate in the regional seeding process.**

6. Seeding will be based upon the following criteria in the following priority order:

1. Head to Head in Regional Play
2. Number of Regional Matches Played and Won
3. Common Opponents
4. Strength of Opponents Played
5. Overall Record

USTA ranking is NOT to be considered.

Teams may play each other no more than 2 times to count for seeding purposes.

7. Advanced Placement Testing: The regional schedule will not be adjusted or altered for AP testing, prom or other activities. AP students must take the make-up test or forfeit the regional match.

D. General Information

1. The Regional Tennis Entry Form must be received by the WVSSAC office by **12:00 noon April 27, 2018**. A copy shall also be mailed to the regional tournament director. No alternates are allowed for singles play once the Entry Form is submitted. Alternates for the doubles team are only allowed for injury or illness and prior to the beginning of doubles play and must be used in the order they appear on the Entry Form. **No matches played after the 12:00 deadline will count for seeding purposes.**

a. The Seeding Meeting line-up must coincide with the Entry Form line-up regardless of the date of the meeting.

b. Regional Director must return Tennis Seeding Form (T5) to WVSSAC office by **April 4th**. It will then be placed on the Website.

2. **Match Report** Forms - Match Report Forms (23) shall be taken to the Regional Coaches' Meeting. **Failure of the coach to bring match report form to meeting may result in loss of seeding. Should a conflict arise, the decision will be left to the Regional Director.**

3. All Regional Tournament Directors are to secure roving officials to monitor court behavior and foot faults. All roving officials will be attired in such a way that they are easily recognizable. Directors should refer to Points of Emphasis for more specific information. If the tournament director cannot secure officials, he/she shall assume the responsibility of enforcing all regulations.

4. Regional Tournament Directors are asked to secure one trained official for each court. If trained officials are not available, Tennis Coaches' Committee members and tennis knowledgeable individuals shall be chosen first when assigning officials at the regional level. All officials will be attired in such a way that they are easily recognizable. **Officials are responsible for keeping spectators at least 10 feet from court fence.**

5. Regional and state team awards will be based upon individual (singles and doubles) qualifying points accumulated each round.

6. A student must complete the qualifying tournament to be eligible to compete at the next level.

7. Participants or teams are to supply their own tennis balls. Wilson is the state adopted tournament ball.

8. **Time Violations:** Time violations occur when a player takes more than 20 seconds between points or takes more than 90 seconds on changeovers. A warning shall be given for the first violation. Subse-

quent delays shall be penalized by a point loss for each violation, with no accumulation.

9. **Harassment of Players Prohibited:** Team members and their spectators shall not harass opposing team players. Harassment directed at individual match is first assessed a warning, next a loss of game, and finally default.
10. **Bathroom Breaks:** A player must ask an official for a designated "bathroom break". The official may refuse this request if he determines that the player is resorting to gamesmanship. WVSSAC will allow reasonable time for bathroom breaks and should take them on a 90-second changeover or Set Break.
11. **Rest Time Between 8 Game Pro Sets** - At the tournament director's discretion, a maximum of 30 minutes rest time is allowed between 8 game pro sets during regular season or tournament play.
12. If an individual is unable to complete the tournament once it has begun, he/she must forfeit.
13. **No ad scoring is not allowed in regional tournament play.**
14. Admission is \$6.00 for adults and \$5.00 for students.

E. Team Awards

A regional team plaque (boys and girls) will be presented for each class. Team winner will be determined by points received by qualifying for each round of the regional tournament. Each round of qualification will award one point (per qualifier, per school). **No team points are awarded for any consolation matches at any position.** Therefore, each position will be played to determine order of finish. For eg. for the #1 position, play will continue until 1st, 2nd, 3rd, and 4th place finishers are determined. In the event of a tie, the following will be considered: number of champions, semi-final finish at any flight, quarter-final finish at any flight, and finish at round (opening round) prior to quarter-finals.

F. Individual Competition

1. The regional tournament will be a "flighted" tournament. The following competitions (4-3) will be held for boys and girls: number one singles, number two singles, number three singles, number four singles, number one doubles, number two doubles, and number three doubles. Each school in the region will send one entry for each of the positions/competitions.
2. The top four at each position must be seeded unless a majority of coaches vote to seed additional positions. To assist in the seeding, all coaches will be required to complete the Match Report Form for all regular season matches and to submit those to the regional tournament director at the Regional Coaches' Meeting.
3. All other players will be entered by a "blind" draw. The WVSSAC office will send bracket sheets to each regional director.
4. All regional play will be 8 game pro sets with 12 point tie breaker at 8 all. Rest time: maximum of 30 minutes at tournament director's discretion.
5. Qualifiers for the state tournament will be determined by the position played. The following will qualify from each of the four regions (boys and girls):

NFHS GUIDELINES ON HANDLING PRACTICES AND CONTESTS DURING LIGHTNING or THUNDER DISTURBANCES

National Federation of State High School Associations (NFHS)
Sports Medicine Advisory Committee (SMAC)

These guidelines provide a default policy to those responsible or sharing duties for making decisions concerning the suspension and restarting of practices and contests based on the presence of lightning or thunder. The preferred sources from which to request such a policy for your facility would include your state high school activities association and the nearest office of the National Weather Service.

Proactive Planning

1. Assign staff to monitor local weather conditions before and during practices and contests.
2. Develop an evacuation plan, including identification of appropriate nearby safe areas.
3. Develop criteria for suspension and resumption of play:
 - a. When thunder is heard or a cloud-to-ground lightning bolt is seen, the leading edge of the thunderstorm is close enough to strike your location with lightning. Suspend play for thirty minutes and take shelter immediately.
 - b. Thirty-minute rule. Once play has been suspended, wait at least 30 minutes after the last thunder is heard or flash of lightning is witnessed prior to resuming play.
 - c. Any subsequent thunder or lightning after the beginning of the 30-minute count will reset the clock and another 30-minute count should begin.
4. Review annually with all administrators, coaches and game personnel.
5. Inform student athletes of the lightning policy at start of season.

For more detailed information, refer to the “Lightning Safety” section contained in the NFHS Sports Medicine Handbook.

IV. MIDDLE / 9th GRADE TRACK PROGRAM

Refer to the National Federation's 2018 Track and Field Rules Book. This section deals with modifications for conducting middle school competition. The Track Committee has adopted certain changes in these modifications as related to order of events and measurements (weight, height or distance). See previously listed order of events. It is important that all schools follow these contents closely in order to gain a consistency from one track meet to another within our state.

- A. Organization of meets:
 - 1. **Middle Schools may only compete with other middle schools. They may not compete against stand alone 9th grade teams.**
 - 2. Middle/9th grade athletes, regardless of grade levels (6, 7, 8, or 9th), may compete in a maximum of four (4) events of which only three (3) may be running events including relays.
- B. Participation by an individual in two successive running events should be avoided.
- C. Practice may start Monday of Week 35. Individual members of a team must have practiced on fourteen (14) SEPARATE days, exclusive of the day of a contest, before participating in an interscholastic contest.

2018 TRACK AND FIELD RULE REVISIONS

4-3-1, 4-3-1b, 4-3-1c: Clarifies that for a track and field as well as cross country uniform to be considered legal, the singlet and bottom or one-piece uniform shall be school-issued or school-approved. This change for school approval addresses the need for athletes to purchase a part of their uniform, but such individual apparel shall be approved by the school coach to be certain it meets all rule requirements.

6-2-14 PENALTY (NEW), 6-2-10, 6-2-13: Several prohibitions regarding competitors' actions were included but had no associated penalty should the rule not be followed which created confusion for enforcement. The appropriate penalty of disqualification from the event has been added.

6-5-11: The requirements for the length of the pole vault crossbar has become more flexible as it can now be within a range in length like the high jump.

8-6-1 (NEW), 4-3: Duplicate language regarding the uniform has been removed from Rule 8, Cross Country, and all rules regarding the uniform for individuals, relay team members and cross country teams are now all contained in one rule, Rule 4.

Major Editorials

4-6-1 NOTE 2, 3-1 NOTE: Establishes consistent NFHS language within the rules prohibiting the use of tobacco products and similar items and alcohol by participants, school personnel or officials.

5-3-1: Provides greater flexibility by expanding the professional positions which are qualified to survey and measure a track.

6-7-2: Corrects clerical error in maximum diameter for the boys indoor shot put.

6-8-9: Removes duplicate language which is covered in Rule 6-2-10 regarding broken javelin.

6-9-8: Removes duplicate language which is covered in Rule 6-2-3 regarding excused competitors.

2017-18 Track and Field Editorial Changes

3-10-2, 4-3-1b(4), 5-2, 6-1-8, 6-2-6 PENALTY, 6-2-15, 6-2-16, 6-2-17, 6-6-5, 8-7

2017-18 Track and Field Points of Emphasis

- 1) Uniforms-Waistbands, Trim, Accents and Compliance
- 2) Providing Fluids to Competitors at Cross Country Competitions
- 3) Entry Limits for Individual Contestant
- 4) Officials Safety and Recommendations in the Long Throws

2018 TRACK CLINICS

Schools: The Head Coach shall be required to attend any sport rules clinic in his/her coaching assignment which is sponsored by this Commission. Both boys and girls head coaches must attend the Rules Clinic. Schools failing to have a head coaching position filled at the time of the clinic will be required to have a school representative present at the rules clinic. In a 9-12 school, both the varsity and 9th grade coach are required to attend.

Officials: All officials are expected to attend the clinic to be eligible to work any contests during the season.
