WEST VIRGINIA SECONDARY SCHOOL ACTIVITIES COMMISSION WEST VIRGINIA BANDMASTERS' ASSOCIATION SPRING FESTIVAL FOR PERFORMANCE EVALUATION AND ASSESSMENT

- I. The recognized band festivals of the State of West Virginia will be held under the joint sponsorship of the West Virginia Bandmasters' Association and the West Virginia Secondary School Activities Commission as a music education event for the instrumental music students of West Virginia schools.
- II. All WVSSAC member schools (High School, Middle School/9th Grade Schools) shall be required to participate in the festival of their region if band is in their class schedule or if the school has applied for and been granted a waiver. **Waivers must be post-marked by February 15.** (See WVSSAC Rule 127-5-5.3)
- III. Band Festivals may only be held with the sanction of the Secondary School Activities Commission.
- IV. To be sanctioned, a festival:
 - A) Must be held from the Monday of Week 38 to the Saturday of Week 44 of the WVSSAC standardized calendar. The regional director shall be responsible to determine the appropriate date which must be submitted to the WVSSAC prior to June 1 of the year preceding the festival.
 - B) Must be held in a facility adequate to host a festival (i.e. warm-up rooms with stands, acoustically acceptable performance area, etc..)
 - C) Must accept only bands that meet WVSSAC eligibility requirements.
 - D) Must see that bands meet all Festival Plan requirements.
- V. FESTIVAL PROCEDURE:
 - A) All music, with the exception of warm-up selections, must be selected from the current WVBA Graded Music List. New titles may be added to the Graded Music List by submitting them to the Graded Music List Chairman. **Additions to the Graded Music List are at the discretion of the chairman.** Submissions for the current school year must be post-marked no later than February 15. If a tune is not on the current Graded Music List, a No Rating will be given and the school will be notified accordingly. Two movements of a suite or one movement of a symphony shall constitute one selection. The WVBA Graded Music List may be accessed at the following web site:
<https://wrjenks74.wixsite.com/wvgradedmusiclist>
 - B) The Chairman of the Music Grading Committee will be appointed by the President of WVBA and approved by the WVBA Executive Board. The chairman will then select his/her own committee with the advice and consent of the Executive Board.
 - C) No music shall be prepared and entered by a school in a festival more than once during any four consecutive years for high school and three consecutive years for middle schools. If the rule is not followed, the band will receive NR and the SSAC will be notified. The Festival Director must keep yearly records to enable the enforcement of this rule.
 - D) At the Festival, two separate selections from the current Graded Music List shall constitute the audition program. A warm-up selection may be played prior to these selections; however, it is not to be adjudicated. The warm-up selection may or may not be from the current Graded Music List.
 - E) The performance "level" of each band will be determined by the adjudicated selections.
 - F) The five ratings to be used in adjudication are: I, II, III, IV, and V.
 - G) A band may choose to have "Comments Only" instead of a rating; however, the music selected must still be selected from the Graded Music List. The Festival Chair will establish the deadline for such request.
 - H) Adjudication ratings will be published as follows: SCHOOL, LEVEL, RATING (e.g. COLUMBUS HIGH SCHOOL, LEVEL VI, RATING II).
 - I) Sight reading shall be considered a festival option. If chosen, a sight reading judge will be hired. After performing the prepared festival music, the band will proceed to another performance area to read at sight a selection one level lower than the lowest level prepared. The sight reading grade will be considered separate from the other festival rating.
- VI. FEES: A fee of a minimum of **\$150.00** will be assessed for each band. **This fee shall be sent to the director of the regional festival.** If it is not postmarked no later than March 1 or at the discretion of the Festival Director. Participation by the band will be at the discretion of the Festival Director. In the event the Festival Director elects to waive the March 1st deadline, a \$50.00 fine will be assessed and must be paid on or before the performance date.
- VII. Fee for Non-Participating Bands & Sanctions

If a band does not participate in the festival or is not granted a waiver, a fee of **\$150.00** will still be assessed and due by March 1. **Failure to pay the fee will result in Courtesy and Identification Cards for that school being withheld until payment is received.**
- VIII. Adjudicators:
 - A) Festival judges shall be selected from a list of qualified adjudicators approved by the West Virginia Bandmasters' Association. The assignment of festival judges will be made by the festival director with the assistance of the WVSSAC.
 - B) Additions to and deletions from the list of approved adjudicators may be made by submitting recommendations to the WVBA Executive Board. Festival Directors and bandmasters from each region may recommend qualified adjudicators to the WVSSAC. These individuals may be exempt from the required adjudicators' training.
 - C) Each band will be adjudicated on its prepared selections by three judges.
 - D) The official rating form approved by the WVBA shall be used for the adjudication.
 - E) For adjudicating a band festival, each judge shall be paid a fee of **\$200.00** and expenses which are to include a minimum of \$.31/mile travel and not more than \$20.00 per day for meals. In addition, the Festival Director shall arrange suitable housing for the judges at the expense of the festival.
 - F) Each judge shall be supplied a numbered score of the audition music to be adjudicated. Judges are not to receive scores of warm-up selections. Photo copies are only permitted as provided by the US Copyright Law. If the rule is not followed, the regional director must notify the WVSSAC.
 - G) Judges shall use both recorded comments and adjudication forms to evaluate and assess each band.
 - H) Sight reading adjudicators do not have to be on the approved adjudicators list.
- IX. The Festival Director shall be someone closely associated with music education. The Director is responsible for all affairs of the festival. The Director shall submit a Festival Report to the WVSSAC no later than ten working days following the festival. This report shall consist of the financial report, ratings of each band, and a festival fee in the amount of \$150.00.
- X. Final authority in case of disputes or interpretation of rules shall rest with the WVSSAC.

2018-2019 REGIONAL BAND FESTIVAL RESULTS

The status of member school bands are listed below as to whether they attended Regional Band Festivals. The Festival Plan requires member schools (high schools, Middle School/9th Grade schools) to participate in the festival in their region within the guidelines of the Festival Plan. Section 127-5-5 of the WVSSAC Rules and Regulations Handbook states, "In order to qualify for approved participation in activities outside the home county and counties contiguous to the home county (including out-of-state), bands of member schools must have participated within the guidelines of the WVSSAC Band Festival Plan in the most recently conducted regional band festival."

THE WEST VIRGINIA PLAN OF ADJUDICATION

Rating I (Division I)

This division represents the finest conceivable performance for the event and the class of participants being judged; worthy of the distinction of being recognized as among the very best.

Rating II (Division II)

This rating reflects an unusual performance in many respects but not one worthy of the highest rating due to minor defects. However, it is a performance of distinctive quality.

Rating III (Division III)

This rating is awarded for a good performance but one that is not outstanding. The performance shows accomplishment and marked promise but is lacking in one or more essential qualities.

Rating IV (Division IV)

This rating describes a performance that shows some obvious weaknesses. These may reflect handicaps in the way of instrumentation or lack of rehearsal time.

Rating V (Division V)

This rating indicates a performance which reveals much room for improvement. The director should check his methods, instrumentation, etc., with those of more mature organizations.

*Comments Only

A band director may choose to not receive a rating - just comments. This is to encourage bands to attend their Regional Festival even though they lack numbers or instrumentation.

PARTICIPATION OF BANDS AT BASKETBALL CONTESTS

Part of the excitement at many of our interscholastic basketball contests involves the spirited music supplied by a pep or jazz band. The performances of the musical group are enjoyed by all attending the game. To ensure full appreciation of the group's performances, certain guidelines, indicating when to play, should be followed. Band directors are reminded that as a courtesy to the teams and cheerleaders of both schools, the performances by the band should be limited to a certain schedule. The guidelines listed below indicate an appropriate playing schedule for the band.

Guidelines for bands performing at basketball contests:

- 1) The band should play before the game begins. The director should coordinate the schedule so that team members may be announced if desired by the host school.

- 2) The band should play at halftime of the contest.
- 3) The band may play at the end of the contest if desired.
- 4) The band should not play during time-outs or the break between quarters in order to allow the cheerleaders the opportunity to lead cheers. Players and coaches need to be able to communicate with each other during time-outs.
- 5) Musical instruments may not be used as noise makers during the contests.

The band director and his/her performing group will display courtesy and respect to the players and cheerleaders by playing at specific times. With good planning and cooperation, the school pep band will be an integral part of the excitement and spirit of the contests.

Band Procedures for Football Playoffs

Band members in uniform of the two participating schools shall be admitted to the game free. During the half-time intermission of the game, the visiting team band shall perform first and be prepared to start its performance immediately after the end of the first-half play. Performance by the visiting team band shall not exceed ten (10) minutes including time to get on and off the field. Performance by the home team band shall not exceed ten

(10) minutes including time to get on and off the field. The field must be cleared for the mandatory three-minute warm-up drills for players. Teams should be notified at the end of fifteen (15) minutes. If a special announcer is required for a band show, previous arrangements shall be made with game director in order to gain access to the public address system.

2019 Football Rules Changes

For additional football information, refer to the Football Playoff Manual on the WVSSAC website.

BY STATE ASSOCIATION ADOPTION, USE OF VIDEO REVIEW ALLOWED FOR STATE POST-SEASON CONTESTS [1-3-7 NOTE (NEW), TABLE 1-7 – 1-3-7 NOTE (NEW)]

Rationale: By state association adoption, instant replay may only be used during state postseason contests to review decisions by the on-field game officials. This adoption would allow state associations to develop protocols for use of video replay.

IMPROVED VISIBILITY OF NUMBERS [1-5-1c, 1-5-1c(6) (NEW)]

Rationale: The purpose of numbers on jerseys is to provide clear identification of players. In order to enhance the ability to easily identify players, the committee has clarified the size requirements for jersey numbers through the 2023 season. The committee also added a new requirement that, effective in the 2024 season, jersey numbers must be a single solid color that clearly contrasts with the body color of the jersey.

REDEFINED REQUIREMENTS FOR A LEGAL SCRIMMAGE FORMATION [2-14-1, 7-2-5a]

Rationale: A legal scrimmage formation now requires at least five offensive players on their line of scrimmage with no more than four backs. This change will make it easier to identify legal and illegal offensive formations.

PROHIBITION ON TRIPPING THE RUNNER [2-45, 9-4-3o (NEW), 9-4-3o PENALTY (NEW)]

Rationale: In an effort to decrease risk, tripping the runner is now prohibited. It is now a foul to intentionally use the lower leg or foot to obstruct a runner below the knees.

40-SECOND PLAY CLOCK [2-35-1, 3-6-1, 3-6-2a, 7-2-1]

Rationale: To have a more consistent time period between downs, the rules committee approved situations where 40 seconds will be placed on the play clock. The new rule defines when 40 seconds will be placed on the play clock and when 25 seconds will be placed on the play clock.

HORSE-COLLAR TACKLE ADDITION [9-4-3k]

Rationale: Grabbing the name plate area of the jersey of the runner, directly below the back collar, and pulling the runner to the ground is now an illegal personal contact foul.

ILLEGAL KICKING AND BATTING PENALTY REDUCED [9-7 PENALTY]

Rationale: The penalty for illegally kicking or batting the ball was reduced from 15 yards to 10 yards.

2019 Golf Program

ALL TOURNAMENT DIRECTORS ARE REMINDED TO READ THE DIRECTOR'S MANUAL BEFORE ANY PREPARATIONS ARE MADE FOR THE TOURNAMENT. The necessary forms for reports that **must** be filed with the WVSSAC office can be found with the instructions for each sport.

The Board of Directors and the Golf Coaches' Committee reviewed the golf program in the August Interscholastic and approved the following:

2019 Golf Season Dates

Season Starts: Mon. of Wk. 5 - August 5

1st Contest May be Held: Tues. of Wk. 5 - August 6

Regional: Mon. of Wk. 13 - September 30

State: Tues-Wed of Wk 14 - October 8 - 9

I. GENERAL INFORMATION

- A. The golf season begins on Monday of Week 5 (August 5) and an interscholastic match may be held on any day (except Sunday) thereafter. The season ends upon tournament elimination.
- B. Golf coaches shall receive a preseason mailing with information explaining how to access the online "Coaches Packet". Additionally, a current Golf Rules Book will be included in this mailing.
- C. Each school must complete the Golf Entry Form in the WVSSAC Entry Form Book and return the original to the Regional Director by **September 23**. The form may be submitted by fax, mail or email. Failure to submit by the deadline will result in a \$25.00 fine.
- D. **Coach Requirements** - Each team or individual entering season matches or the tournament series must be accompanied by the coach or a member of the professional school faculty so designated as the principal's representative. Noncompliance with this rule will result in disqualification and/or suspension.
- E. **Sportsmanship** - Student participation in athletic contests is a privilege. Each student athlete is expected to conduct himself or herself in an exemplary manner while competing. Any infractions or disqualifications of a player (individual) or team at the State Tournament must be reviewed by the Golf Committee, the Tournament Director, and the host professional.
- F. **Maximum Team Contests:** A high school golf team will be permitted to play no more than 18 varsity matches, 18 JV matches, and 18 girls JV matches. A male or female participant may play no more than a total of 18 matches exclusive of regional and state tournament contests between the varsity, JV, and girl's JV matches. Girls who participate on school teams who do not have a minimum of three female participants may participate as individuals in girls varsity matches as long as the total number of matches they play between Varsity, JV and Girls JV does not exceed 18. Each interscholastic contest counts as one, whether it is 9 or 18 holes, and regardless of number of opponents.

II. RULES AND REGULATIONS (Coaches and Participants)

- A. Students may participate as an individual in any golf event not sponsored by their school while a member of their school team (**Rule 127-2-10 – Non-school Participation**). Any award received in school or outside participation must be consistent with West Virginia Secondary School Activities Commission **Rule 127-3-5 – Awards**.
- B. **Girls' Tees** - Females are allowed to use a forward tee area when competing on a boys' team. The women's (red) tees on courses are usually set at an appropriate distance from the men's white tee to allow for hazards and lay of the fairway to provide similar play from tee to green for both males and females. If there is not a distinction of separate tee areas, the girls' tees must be set at 85% of the distance of boys.

NOTE: Coaches are to prepare a document that defines a tee for each course on which competition is to be held. This is to be done by the home coach and to be shared with visiting coaches prior to competition. The intent of the committee and the Board of Directors is to encourage female interest so that there will be adequate female participation to have girls' teams and eventually a girls' state tournament.

- C. Smoking or the use of tobacco products on the course or near the clubhouse is not permitted. Violation will result in disqualification.
- D. Summer rules shall be observed in all season and tournament play.
- E. All season and tournament play will be played under USGA Rules except when WVSSAC rules prevail.
- F. **Dress Code** - All participants and coaches are expected to be in proper dress. A boy/girl must be attired in a shirt with a collar (not sleeveless, turtle and mockturtle are acceptable) and golf slacks. **NO BLUE JEANS.** NOTE: Bermuda shorts (not cut-off or frayed) are permissible. Golf shoes or ripple soles, if permitted by the course, will be worn. The tournament director will make decisions concerning questions of proper dress. Participants not properly dressed cannot participate.
- G. **No golfer may receive advice, coaching or instruction from parents, spectators or others during play. Any participant in violation of this rule will be subject to disqualification. The only exception is the head coach may coach the entire course except for putting greens and sand bunkers. This coaching rule should be in effect during regular season, regional and state tournament competition.**
- H. Teams may be made up of 4 or more individuals for regular season and 3 or 4 for Regional/State Tournament play. Regular season count the lowest 4 scores. Regional/State Tournament count the lowest 3 scores. Teams may also participate in match play competition. At least 6 regular season contests must be stroke play.
- I. **Use of cell phone (phone ringing is considered usage) is prohibited. Penalty for first offence is 2 shots. Penalty for second offence is disqualification.**
- J. **Range Finders/GPS may be used during the regular season, regional matches and the State Tournament. Golfers are encouraged to share yardage distance with golfers who do not have a range finder/GPS instrument.**

III. TOURNAMENTS

ALL TOURNAMENT DIRECTORS ARE REMINDED TO READ THE DIRECTOR'S MANUAL BEFORE ANY PREPARATIONS ARE MADE FOR A TOURNAMENT. The necessary forms or reports that must be filed with the WVSSAC office can be found with the instructions for each sport.

A. Points of Emphasis

1. A school team shall consist of three to four players in the Regional and in the State Tournament. The best three scores will be used to determine the Regional team winners and the State Tournament winner. A school with less than three players may enter the Regional contest for medalist honors only providing those teams have participated in six (6) or more regular season contests.
2. **Failure to return a score card or unsportsmanlike conduct on the part of any player during the tournament shall cause that individual to be disqualified. That individual disqualified for any unsportsmanlike act will be ineligible for the duration of that tournament and the next two regular scheduled contests (see West Virginia Secondary School Activities Commission Rule 127-4-3).**

The individual may not be replaced in the day or the round in which he/she was disqualified. The above does not apply to a rule infraction causing an individual's disqualification or sickness or injury on the golf course.

3. The aggregate score of the low three team members in Regional and State shall be counted on a daily basis.
4. The coach or professional faculty member from their school designated by the principal must submit to the Director or Assistant Director one half hour before the starting time, a list of player(s) expected to participate. This time is necessary to make any changes. Any second day changes must follow the same procedure.
5. All ties for medalist shall be played off using the "sudden death" method in Regional and State Tournament play.
6. Individuals and teams entering a tournament shall be advised that they are guests of the club at which the tournament is being held and as such shall conduct themselves and represent their schools accordingly.
7. **Awards** - The West Virginia Secondary School Activities Commission will provide a plaque to the winning team in each region.
In the State Tournament, plaques will be provided for the winning and runner-up teams. In addition, awards will go to the individual medalist and **THE 8 (PLUS TIES) ALL TOURNAMENT TEAM SELECTIONS (8 LOWEST SCORES)**.
8. Carts, pull or non-motorized, may be used at the discretion of the host golf course.

B. Regional Tournament

1. Each school will be assessed a **\$50.00 Regional Entry Fee** to cover the cost of the Regional Tournament. These fees must be submitted to the regional director.
2. In order to qualify a team or individual for the Regional Tournament, schools must have participated in at least six (6) interscholastic matches during the season. Those six (6) matches must be on six (6) different days. **In the event a school does not have enough participants to compete as a team but an individual(s) (up to 2) from the school wishes to compete for medalist honors, the individual must have competed in at least six (6) matches on six (6) different days.**
3. There are no restrictions on practice play or interscholastic matches on the regional site of the tournament other than the day of the Regional Tournament. No practice rounds are permitted on Sundays, as per WVSSAC Rule 127-3-14.
4. Unless schools are notified to the contrary, the Regionals will be played at the sites on the dates listed on the regional alignments. (9:00 am unless specified otherwise.) Schools should report 30 minutes prior to tee time. It will be the responsibility of the regional director to contact the schools with any alteration in dates or times. It may be necessary to use shot gun start at some courses.
5. Pairing for Regional play shall be determined by the regional director. Participants shall be from separate schools whenever possible but within the same classification. Golfers are to be paired by scoring averages.
6. **State Tournament Qualification** - Each Regional Tournament shall qualify **two teams** per class for the State Tournament. **In the event of a tie for first and second place, the fourth golfers score on each team will be added to the team total score as the first tie breaker.** Any teams tied for

low score after the first tie breaker shall play off via the "sudden death" method - best ball team play which will consist of four players for each team, scoring best three.

The **top two individual golfers** who have the lowest score and are not on the winning teams will qualify for State Tournament Playoff. Ties to qualify in the top two will be broken by "sudden death."

C. State Tournament (October 8-9, 2019)

1. The State Tournament shall be held at **the Speidel Golf Course at Oglebay Park, Wheeling, WV on October 8-9, 2019** The tournament is set for thirty-six (36) holes of play. **Both days** of the tournament will be a **shotgun pro** start. If weather prohibits play, the first completed eighteen (18) holes will constitute the tournament. Tee off time will be 9:00 **8:30** a.m. **The Speidel Golf Course requires that soft spikes are worn. Participants must be in proper attire as stated above.**
2. **Day 2 pairing will be by team scores (top 4, second 4 with the 8 individuals paired together by score.**
3. Mr. Scott Davidson shall serve as Tournament Director.
4. State Tournament information will be provided to coaches and players during a Monday evening meeting to be held at Oglebay Park at 6:30 **7:00** pm. During this dinner meeting, tee times and coach/school assignments of team scorers will be distributed. **All coaches are required to attend. Golfers are encouraged to attend and have dinner.**
5. Coaches (or **a responsible adult**) representing the schools participating in the State Tournament may be assigned as spotters. The school must provide a spotter, or the coach will not be allowed to coach, per Item IIG.
6. On both days of the tournament, coaches and participants need to report before assigned time. Failure to report will cause disqualification of a team or individual qualifier.
7. For school reimbursement, see Reimbursement Schedule in the Entry Form Book.
8. **In the event of a tie for first and second place, the fourth golfers score on day 2 will be added to the team total score as the first tie breaker.** If the first tie breaker does not break the tie, all teams tied for first and second place for each class in the State Tournament will play a "sudden death" best ball team play or team score which will consist of four players for each team, scoring three best, to determine first and second place.
9. **Sponsorship and Rights:** The WVSSAC is the sponsoring organization for all state tournaments. The WVSSAC reserves all rights in regard to the management of these tournaments, the sale of any items at the tournament site, and any audio or visual reproductions of the events. Any sale, distribution or reproduction of clothing, souvenirs, pictures or other items without the expressed written consent of the WVSSAC is strictly prohibited. Pictures for media or school yearbooks are to be used for these purposes only.
10. **Any four players from a school eligibility list with top 3 scores counted may participate as a member of a team either day of the tournament. Only those players participating on both days of the tournament shall qualify for medalist honors. The Tournament Director must be notified of any change as specified in the information above.**

2019-2020 SOCCER RULES REVISIONS

3-4-3 NEW: The clock shall be stopped when a substitute by the team in the lead is beckoned on the field in the final five minutes of the second period only.

Rationale: Rule affected by change in 7-4-3.

4-3: Improperly Equipped Players (18-1-1u)

Cautions will not be issued for improperly equipped player(s).

If not immediately correctable, improperly equipped player(s) shall be instructed to leave the field of play when the ball next ceases to be in play. The player(s) may be replaced. The removed player(s), if not replaced, may re-enter at the next dead ball only after reporting to an official, who shall be satisfied the player's equipment and uniform are in order. Play shall not be stopped for an infringement of this rule except that the referee may stop play immediately where there is a dangerous situation.

Rationale: The change corrects an injustice. For the far more serious infringement of illegal equipment, the offending team does not play shorthanded. For the less serious offense of improper equipment, they are required to play shorthanded. The change addresses this inequity.

5-3-1d: The officials shall:

(d) call out "play on" and, with an underswing of one or both arms, indicate a foul which was observed but shall go unpenalized because penalizing the offending team would give an advantage to the offending team. If the referee applies the advantage, which was anticipated but does not develop at that time, the referee shall penalize the original offense.

Rationale: This change permits the use of one arm to signal advantage.

7-4-3 NEW: The clock shall be stopped when a substitute by the team in the lead is beckoned onto the field in the final five minutes of the second period only.

Rationale: Coaches in the lead will make multiple substitutions in the later stages of the match. This tactic is being used as a time-wasting ploy. Adding this rule will help the game to be decided by the players and not a coach who is wasting time when in the lead. These substitutes are usually players from the far side of the field that take more time off the clock. This addition would stop this practice.

9-2-1: The game is restarted with a drop ball:

- when the ball is caused to go out of bounds by two opponents simultaneously;
 - when the ball becomes deflated;
 - following temporary suspension of play for an injury or unusual situation and a goalkeeper is not in possession of the ball
 - when simultaneous fouls of the same degree occur by opponents.
- Rationale: This rule changes the awarding of a free kick to a drop ball thereby possibly creating a scoring opportunity for a team underserving.

9-2-3: The ball is dropped by an official from waist level to the ground. Any number of players may contest a dropped ball (including the goalkeepers); a referee cannot decide who may contest a dropped ball or its outcome.

Rationale: This addition helps to provide clarity in the application of this rule.

9-2-5 NEW: ART. 5 . . . The ball shall be dropped again if it touches a player before it touches the ground or leaves the field of play after it touches the ground without touching a player.

Rationale: This addition helps to avoid confusion and allow the rule to be more equitable under the circumstances.

9-2-6 NEW: ART. 6 . . . If a dropped ball enters the goal without touching at least two players, play is restarted with a goal kick if it enters the opponent's goal or a corner kick if it enters the team's own goal.

Rationale: This addition helps to avoid confusion and allow the rule to be more equitable under the circumstances.

9-3: In case of a temporary suspension due to injury or any unusual situation the game shall be started by a drop ball at the point where the ball was when the play was suspended (except as noted in 14-1-7), provided the ball was not in the goal area and not in the possession of the goalkeeper.

12-8-2
Rationale: This change will eliminate free kick opportunities that often create scoring opportunities that are not deserved.

Points of Emphasis

- Anterior Cruciate Ligament (ACL) Injury Prevention.
- Pre-game Communication Between the School Administration and Game Officials.
- Official's Communicating Misconduct with Coaches.

The Board of Directors reviewed the volleyball program in the August interscholastic and approved the following:

2019 High School Volleyball Dates:

Season Starts:	Mon. of Wk. 6	August 12
1st Contest Held	Wed. of Wk. 9	September 4
Sectional	Week 18	November 4-7

1st Contest Held	Wed. of Wk 10	September 11
Season Ends	Sat. of Week 17	November 2

I. GENERAL INFORMATION:

- A) The Spalding TF -VB5 navy/white volleyball is the official ball for this year. The Spalding ball will be used in all tournament play. Schools will be permitted to use any NFHS approved ball during regular season (NFHS 3-2-1). For sectional, regional and state tournament play, the TF-VB5 navy/white Spalding ball will be used.
- B) **Facility safety (obstructions, obstacles, etc..) is the host administration and officials' responsibility.**
- C) The warm-up time for all levels of competition is now 2-6-6 for a total of 14 minutes, **with the exception of the state tournament which will be 6-6-6 for a total of 18 minutes.** The first two minutes, both teams have access to their side of the court. At the end of two minutes, a horn or whistle will sound and **the team that won the coin toss** will take the floor for six minutes. If a team wants to practice serving, it must be done during these six minutes. **Both teams will not practice serving at the same time.** At the end of the first six minutes warm-up, a horn or whistle will sound and the opposing team will have the floor for six minutes.
- It is also important for coaches to know that officials do not dictate what a team does during its warm-up time. That is up to the coach as to what is done during this time.**
- D) **Scorekeepers** - Must have 2 scorekeepers. One scorekeeper for the game book and one scorekeeper for the libero player. Both scorekeepers must be at the score table. **Both scorekeepers need to be trained.**
- E) **Line Judges** - Line judges are required for the regular season. All line judges **must** be trained. Line judges cannot be players in uniform. Whenever possible, use WVSSAC certified officials. Line judges must be present at the match site a minimum of 20 minutes prior to the start of the match. Line judges are required for sectional, regional, and state contests. These line judges must be WVSSAC registered officials.
- F) **Flags** - Flags are optional for regular season play, but will be used in post season play. Schools are responsible for providing flags.
- G) It is recommended that school personnel meet with the local officials' board prior to the season to discuss assignment of officials and officiating fees.
- H) The WVSSAC promotes good sportsmanship in all sport programs. We encourage you to inform parents and athletes of the importance of good sportsmanship.
- I) **Preseason Meetings:** It is highly recommended that all coaches conduct preseason meetings for their players and parents. In addition to their own rules and regulations, coaches **must** address players on taunting, conduct, and sportsmanship rules before the first regular season match. **Good sportsmanship is to be practiced by all team personnel during warm-ups.**
- J) **Officials must strictly enforce all taunting, conduct, and sportsmanship rules.**
- K) Home team management will be responsible for providing volleyballs for all high school duals, tri and quads. When three courts are used, teams should bring their own volleyballs.

II. RULES AND REGULATIONS:

- A) Players are not allowed to wear face, hair or body paint or mascot stickers while participating in a contest. Permanent magic marker markings are not allowed. Permanent tattoos are permitted provided they are not objectionable. If determined objectionable by the official, the tattoo must be covered. No glitter on body, uniform or accessories.

- B) A team must have participated in twelve (12) matches to be eligible for sectional tournament competition (high school only).
- C) **A high school volleyball team will be permitted to play in no more than 22 (dates) exclusive of sectional, regional, and state contests.** The volleyball season will end for each high school team at tournament elimination. **Middle school teams will be permitted sixteen (16) play dates.**
- D) Dual, triangular and quadrangular matches count as one date. Matches in which five or more schools participate count as two dates.
- E) **High School** - Two volleyball scrimmages with **another high school** may be conducted. (No quads for a team) Tris count as 2 scrimmages.
Middle School - One volleyball scrimmage is allowed for middle schools.
- F) In dual competition, a student may participate in a maximum of four games against the same opponent if a match is two of three games and six games if the varsity match is three of five games. If a middle school has 2 (JV & Varsity) teams, a player may participate in 4 sets. If a player is entered who would exceed this regulation, the official should use preventive officiating and notify the coach. If the player is then played, she becomes an illegal substitute and a Special Report is to be sent to the WVSSAC. This rule is the responsibility of the coach.
- G) **Rally scoring must be used in all matches.** Rally scoring includes let serve, dual - High School Varsity and JV - 3 of 5 with no cap, first 4 sets to 25 points, fifth set to 15 points, must win by two. Tris and Quads 2 of 3 - no cap, all 3 sets to 25, must win by 2. Two time-outs per set. Middle School - 2 of 3 - all 3 sets to 25, must win by 2.
High School Varsity Tournaments - 5 or more teams must use rally scoring - 2 of 3 matches - the format is to be determined by the director. No 3 of 5 matches can use pool play.
- H) It is the responsibility of the high school varsity coach to rate each official (all regular season and tournament matches). Individual rating forms are included in the coach's packet. Only one match is allowed per form, and each official must be rated for every officiated match. **These forms are online and should be done after each play date.** Failure to comply will result in a \$10.00 per match fine.
- I) **Head Coaches' Conduct:** The head coach may stand in the libero replacement zone, **no closer than six feet** to the sideline, **during play** to coach his/her players. The head coach may not obstruct the sight of R2 or the LJ. During a dead ball, the head coach may stand at any location in the libero replacement zone. When the R1 is ready to resume play and extends their arm to begin serve, the coach must move back.
- J) Each official is required to enter their number into the home and visitors scorebook legibly.

“The Spirit of Sports: The spirit of sports gives each of us who participate an opportunity to be creative. Sports knows no sex, age, race or religion. Sports gives us all the ability to test ourselves mentally, physically and emotionally in a way no other aspect of life can. For many of us who struggle with ‘fitting in’ or our identity – sports gives us our first face of confidence. That first bit of confidence can be a gateway to many other great things!”
